

WELCOME TO SUNNY HILLS HS *CLASS OF 2029*

Student Course Selection Guide

This presentation will walk you through on how to choose your classes and register for them.

Freshman Schedule

- All Students will take 6 Classes
- Every 9th grader will be in an English, Math and a Physical Education course
- There are many options for the remaining 3 classes that will be reviewed in this presentation. It is the student's choice on what to take depending on their personal interests

Honors Classes

Students who reside within our district boundaries should have submitted the honors/pre-IB admission form. They would have received an email from Mr. Rosenkranz stating honors coursework options.

If a student resides outside of our district's boundaries, a honors/pre-IB placement test was required. Mr. Rosenkranz emailed the results to the student with the recommended honors coursework.

SUNNY HILLS HIGH SCHOOL Freshman SUMMER HEALTH 2025 Request Card

Student Name _____
Last First MI Birth Date

Health is a 2 week online course that satisfies the Health graduation requirement. Students are required to attend in person on the first and last day of the term. In between the first and last day, students can either work from home or use the campus computer lab during summer school hours. Summer school runs Monday - Thursday 7:45am - 1:00pm.

Kindly note that priority for the summer health course is given to current Sunny Hills students in grades 10-12. For incoming 9th grade students, enrollment in health is on a request-only basis, and availability may be limited until subsequent years as a continuing Sunny Hills student.

To request Health this summer, indicate your first choice for the term below. Please submit this card, along with the Freshman Course Selection Card, during the designated date and time at Registration Night. Students who are scheduled into the class will be contacted by parent email toward the end of May.
