- A. Call to Order
The meeting was called to order by David Macleod at 4:32 pm.
- B. Roll Call
- C. Approval of Minutes from the January 25, 2024 meeting.
(DP) motioned to approve, (CG) second
- D. Public Comments
None.
- E. Taylor Ulrich updated the committee on the Measure I Audit. We were given an
Unmodified Opinion. The accounting principles and internal controls showed no
weaknesses. No current year findings were given.

(VM) Construction project updates:

FUHS Pool

48% paid out on this project. The pool deck has not been completed yet. The
outside stairs along the side of the building adjacent to the pool deck might need
to be moved to the end of the building. The completion date is late August or early
September 2024.

SOHS Science Classrooms

This is the last project in the Measure I Bond. There is \$4.5 M left for this project. There are a lot of design issues for the science classrooms. There is a desperate need for more lab space.

(DP) Is the District planning to put a new Bond on the November ballot?

(RH) We are still in the information stage. The Board is continuing to investigate. A second survey is being sent out to the community. The initial survey showed that the community would support another bond.

(CG) Are there any updates on the seating for the auditorium at FUHS?

(VM) Yes, the seats are being replaced this summer. The auditorium is closed for this project beginning on June 24. There is maintenance on the ceiling and the floors that has to be completed prior to the seating installation. There will also be updates to the organ and the audio/visual needs for the auditorium.

H. Adjournment at 4:53 pm.
Next Meeting: September 23, 2024 @ FUJS
