

TROY HIGH SCHOOL WARRIOR WEEKLY

April 14, 2023

Mt. Baldy on March 23, 2023

Another Friday is here, and for this one we have finished our CAASPP testing for 2023! We have a very few make-ups left but that is it. Thank you to all our 11th grade students, teachers, and staff for doing a fantastic job throughout these past two weeks. We are off our block schedule and back to our usual regular day and late-start day schedules.

It has been another typically busy week for all of us at Troy, so here is a glimpse of what we had going on this week!

Troy's Vocal Music Director reports some wonderful news on some recent choir festivals

Mark Henson, Vocal Music Director

Is anyone surprised about how wonderful they sound? Add in the show component and they are just that much better! Congratulations to all our students and their teacher, Mr. Henson!

At Break on Thursday Troy High School led by Athletic Director, Mr. Chris Blume held another college athletic Signing Day! We had four Troy students who will be playing collegiate sports next year. They are from left to right, Elijah Juge, going to UCI, and playing soccer, Nadia Kojonroj going to Air Force Academy and playing tennis, Anthony Santoro going to the University of Rhode Island and playing football, and Fischer Huss going to Chapman University and playing football! Congratulations to all of these students for earning their way to play sports in college through their academic and athletic performance! Great job, Warriors!

Congratulations to all the students recognized at the Rotary Top 100 last night! We had to move inside the Performing Arts Building due to the inclement weather, but we had a wonderful evening recognizing our students. From our seniors, it was great hearing about their most memorable experiences at Troy and where they will be attending college next year. Thank

you to our students, parents, Rotary, Counselors, Superintendent, and Board for being part of our celebration!

SPRING DANCE CONCERT

Last night after the Rotary Top 100 Troy High School event I was able to drop into our Troy Dance Concert in the North Gym. It was packed and I was able to see a couple dance

routines before the intermission in the program. Dance Teacher and Program Director, Ms. Arielle Gates has another hit show for the audience. The two performances I did see were the All Male Dance Team, and the Red Hots. The All-Male routine was excellent and using the

chair props made for a technical and well-choreographed routine. The crowd loved it! Following the All-Male Dance performance, the Red Hots were next. This is when Murphy's Law which states, "Whatever can go wrong will go wrong." In this case the music did not want

cooperate and sync with the gym sound system. The dancers waited for almost two minutes before Ms. Gates synced with a floor speaker. When the music began and they began their routine, it was loud enough to be heard throughout the gym, but not as loud as normal. Then a little more than halfway through the routine the music stopped! However, the Red Hots did not. They were able to finish the rest of the routine without their music! The crowd got into it, and were cheering them on, and the continued without missing a beat! It was amazing and awe inspiring!

We have some fantastically talented dancers at Troy High School, and even with adversity, they are able to keep going. In this Dance Show, there are not only the competition teams performing. We have students in all of the dance classes at Troy in this Dance Show, and all our dancers are very excited to be part of this program! Congratulations to all our participants

in our Dance Show, and to their teacher, Ms. Arielle Gates. Every dancer is ready for this show and Ms. Gates has every dancer performing at their best levels!

I would expect another large crowd to see the final performance of the Troy Dance Show tonight! If you did not see the show last night, I would make the trip and see the Friday night performance tonight at 7pm! You will not be sorry!

Congratulations to the Troy High Science Olympiad Team for taking first place in the 2023 State Championships. This is the 28th time the Troy Team has won States. The competition started out close as after 10 events Troy was actually 4 points behind University. Troy dominated from that point on finishing 63 points ahead of the 2nd place team. Next month they will travel to Wichita State and compete in the National Finals!

The team had many outstanding performances, winning medals in 20 of the 23 contested events.

It is always nice to see our student take what they have learned and apply that knowledge in competition that has the opportunity to affirm their application of knowledge. If it also wins them some cash, that is just an added bonus! From AP Economics Teacher, Mr. David St. Clair,

here are some additional exciting details! “On Wednesday two teams from the AP Macro-Economics classes travelled to the Federal Reserve Bank of San Francisco (Los Angeles) Branch to compete in the Personal Finance Challenge. The teams were given a case study of a client needing financial advice. Based on the client’s goals, teams created slide presentations as if they were the client’s financial planners. Congratulations to Joselin Ly, Sean Son, Andrew Chen, and David Kim who finished in 4th place. Congratulations also to Jamie Lee, Kayla Nguyen, Ethan Wei, and William Song, who finished in 2nd place and won \$300 apiece. It was a great day to be a Warrior!”

Pictured above, Mr. St. Clair and our students took the train into L.A. from the Fullerton Station, along with some action shots from the competition. Great job, Warriors!

2ND & 3RD PERIOD

Despite a brief break from the excellent Spring weather we had been enjoying, it is my understanding we are going to see warmer temperatures this weekend and into next week, so once again Spring will have returned! This is going to be a great weekend to get outdoors, so I can guarantee that both Luna and I will be off the sofa and in the great outdoors! In So-Cal we have many great choices for outdoor activities, and spending time with family and friends. I hope everyone has a wonderful and relaxing next couple of days and I will see everyone back here on Monday!
