

# TROY HIGH SCHOOL WARRIOR WEEKLY

April 22, 2022

Warriors,

It is the end of another busy week, and we are very close to the beginning of the Cambridge, IB, and AP examinations! As we move further into “Testing Season,” it is also an indication of how close we are to the end of the school year...after today there are only 28 school days left until the Class of 2022 graduates on June 2<sup>nd</sup>! Warriors, keep up the great work, there is still a lot going on as we close out April, and move into May and June!

Troy AP students! This week, the College Board came out with some additional resources to help you prepare for your exams! Here is the info that was sent to me this week.

*Students who join live will be able to participate in a live Q&A and get answers to their questions about course content and skills in real time.*

If students can't attend live, they can access recordings of the sessions both on [YouTube](#) and in [AP Classroom](#). AP teachers will have the option to assign the recorded review videos through AP Classroom to whole class sections, groups of students, or individual students. All review videos can be found on the Review tab in AP Classroom, under Course Resources. Assigning the review videos is just like assigning AP Daily videos.

AP students can also utilize the [free resources](#) in AP Classroom to help them check their understanding of content and skills, as well as get quick feedback on their areas of strength and where they may need more practice.

This week and next, please encourage your AP students to [join AP Daily teachers](#) as they provide live review and practice for the upcoming AP Exams!

Sincerely,

Advanced Placement Program

This program is available to all FJUHS students districtwide.

Last Saturday night, our students participated in the 23<sup>rd</sup> Annual Pilipino American Culture Night in our North Gym! There were numerous elements to the evening, with instrumental music, dance exhibitions, singing, and acting. The crowd sat on the North side of the gym and the middle to Southern part of the gym became the performance area. It was a fantastic evening for Troy High School community!

In accordance with the Center for Disease Control (CDC), CA Dept. of Public Health (CDPH), and Orange County Health Care Agency (OCHCA), we ask that you complete the

Qualtrics survey each morning prior to arriving on campus. However, **please do not attend school** if you have experienced any COVID-related symptoms:

In sports it has been a very busy week and are headed full tilt into CIF playoffs very soon! Last night our Boys' Volleyball team had a great win against Buena Park! It was also our Senior Night, so players were also able to enjoy that part of the evening with family and friends. Today at Troy we have Troy Baseball vs. Fullerton, Freeway League Dive Finals, and also our Annual Powder Puff football game on our Varsity football field! As this is also Earth Day, what

is better celebration of being on the Earth than athletic competition? Come out and see some of our amazing athletes each of these events! On a side note, do not discount the level of intensity in the Powder Puff football game. All the athletes, both 11<sup>th</sup> and 12<sup>th</sup> grade are out there to win! This game is about the bragging rights for the next year. ☺ Go Warriors!

Join us at  
Angel Stadium as  
Troy's choir members  
combine with other  
local choirs in a  
performance of the  
National Anthem  
before the game!

**6:30 p.m.**

**Right Field Pavillion - \$20**

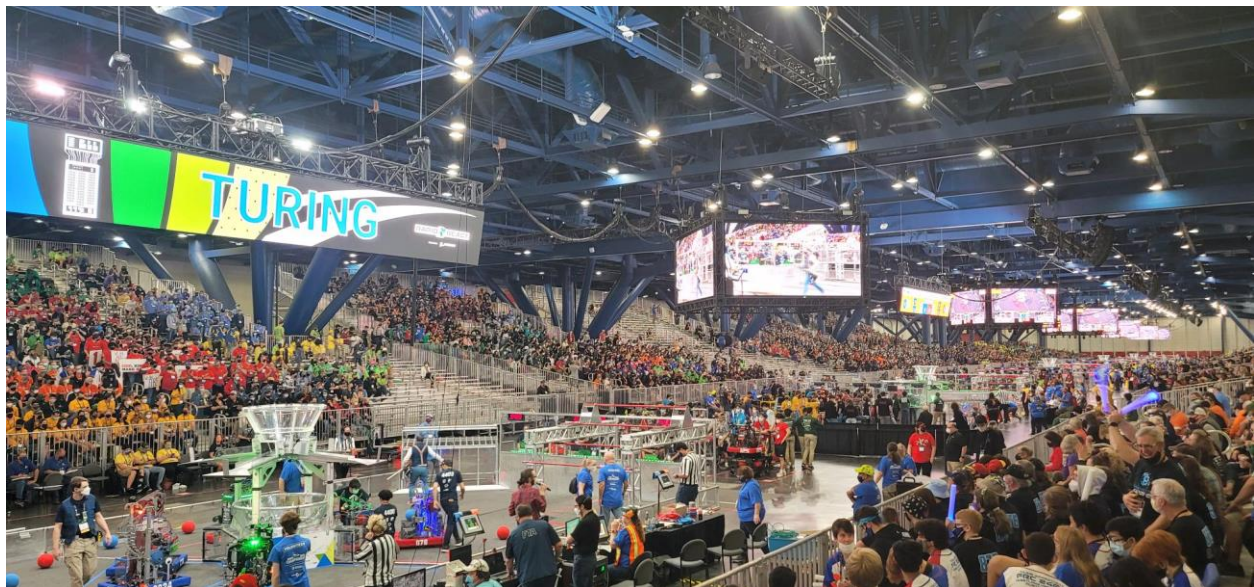

Our Troy Choir will be performing at the Angels game! This is also School Employee Appreciation Night, so if you missed their performance at Los Osos High School this week (I did), this is another opportunity to hear them sing! Also, there is never a bad night to see a baseball game in So Cal and for our School Employees' the opportunity to be recognized and have school choirs on the field for the national anthem is also going to make for a great night!

Our Troy Robotics, Team 3952 is currently battling it out in Houston, Texas. Today is Day 2, and our team is hoping to rebound from a Day 1 competition, in which for much of the

day, if it could go wrong, it was going to go wrong. Our Team 3952, kept fixing the problems and moving forward. By the end of the day they were on track, so going into Day 2, they have confidence! As of this writing, Team 3952 looks to be having a better day. Is it good enough? We will have to wait and see... Go, Warriors!

Last week after the Warrior Weekly went to press, ☺ our Superintendent put out the follow letter to staff, parents, and students emails regarding mandated changes to school start times in California for the 2022-2023 school year.

Dear FJUHS District Staff Members, Students and Parents/Guardians,

Happy Friday! As we look forward to the end of another successful school year, the District is busy making plans for next year. In doing so, we would like to take this opportunity to remind staff members, students, and parents/guardians that beginning with the 2022/23 school year, all schools will start at 8:30 a.m. in order to meet the new requirement in California.

On October 13, 2019, Governor Gavin Newsom signed Senate Bill 328, Pupil Attendance: School Start Time. SB 328 requires that the school day for middle schools begins no earlier than 8:00 a.m. and **the school day for high schools begins no earlier than 8:30 a.m.** The start times will go into effect on July 1, 2022. SB 328 does not include zero periods.

District administrators have been working with site administrators and staff members to plan and develop bell schedules for the 2022/23 school year that will reflect this new start time. Specific information regarding each school sites' bell schedules will be provided in the very near future from your site teams.

Thank you for your continued partnership. We hope everyone has a wonderful weekend, and for those who choose, we look forward to seeing your smiling faces on Monday.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve McLaughlin".

Steve McLaughlin, Ed.D.  
Superintendent

Next year, for students in zero period, our start time shifts from 7:00am to 7:28am and our 1<sup>st</sup> period start time shifts from 8:02am to 8:30am. The end of the school day will also change from 3:00pm to 3:30pm.

It was early on Monday morning when I walked out into the Quad and noticed the pink clouds and the moon. It was too good a picture to not share. ☺

On Tuesday evening, a number of students throughout Orange County in the AVID program were honored for their achievement at the UC Irvine Barclay Theatre. FJUSHD had a number of outstanding students recognized, including the four students above, including our own Rebecca Hong, pictured on the right. I know... I was having untimely technical problems with my iPhone and missed the shot with Rebecca's name and school on the screen... However, it was a truly wonderful moment to see Rebecca on the stage with the other FJUSHD students being recognized as a 2022 AVID Senior Standout!

Other Troy students also recognized and receiving very significant amounts of college scholarship money were: Troy seniors, Aleena Aslam and Emily Velazquez! Congratulations to all of these wonderful students from Troy and the FJUHSD!

It was a truly wonderful evening for fantastic students in an outstanding and proven program. Along with many proud parents, there were also a number of teachers from FJUSHD and Troy in attendance. AVID, English, and Psychology Teacher, Ms. Jennifer Heuerman and

AVID Teacher, and FJUHSD AVID Coordinator, Ms. Tiffany Wilson. I also noticed,

Buena Park Principal, Dr. Sonje Berg, Fullerton High School Principal, Ms. Laura Rubio, and Director of Educational Services, Mr. Steve Zamora. All of us love to celebrate our students!

Here is a preview of the stage for our Troy Theatre Production of *The Masked Rider of the Black Hills*. The production begins next Wednesday, April 27 and ends on Saturday, April 30<sup>th</sup>. Start times are at 7:00pm each night except for April 28<sup>th</sup> when the play will begin at 8:00pm. This play is a comedy, and it is going to be amazing! Do not miss this play!

Last weekend, I hope everyone enjoyed their holiday weekend. Let me explain the pictures. I was making pizza for Easter and I needed the dough to rise a little faster. Luna had a problem with the dough that was sitting outside in the sun, and began barking. I decided to make my interpretation of flying saucer noises, chasing her around and making a game of it for Luna. I'm not the weird one...☺ I blame Luna.

This weekend is looking pretty good! The rain appears to be leaving and the temperatures are warming up to be in the mid-80's by Sunday! I am planning to be outside as much as possible, although not likely chasing the dog with a glass bowl of pizza dough. I hope everyone is able to have some much needed and earned rest and relaxation this weekend. I will see everyone back here bright and early on Monday morning!
