

TROY HIGH SCHOOL WARRIOR WEEKLY

May 6, 2022

Warriors,

It has been an interesting and busy week! We are in primetime testing season with Advanced Placement (AP), International Baccalaureate (IB), and Cambridge A-Level examinations all happening in the span of time from late April until June. To all our students taking exams, make sure you arrive to your exam early or on time. Please make sure you are following the rules I included from College Board last week for taking your exams. While IB and Cambridge are different examinations, these rules from College Board for AP are consistent with the other examinations as well. On the next page I have included this information for you to review once again...

To our teachers and counselors who are administering and proctoring the exams, thank you very much! Our students would not have the opportunity to prove their knowledge and application of knowledge without your expert ability to ensure these examinations are held to the highest standards of testing accountability and security. Teams of teachers and counselors led by Ms. Lisa Avila for Advanced Placement, Ms. Ana Link for Cambridge, and Ms. Charlotte Kirkpatrick, arrange testing locations, proctors, sort and count exams, and ensure students know where and when they are to report and take their exams. Thank you to everyone, for your support and care for our students! Students, do what you do, and achieve on these exams! Once again, go Warriors!

MAY 2022 AP EXAM DETAILS AND INSTRUCTIONS

For morning exams, report to your testing location by 7:30 AM.

For afternoon exams, report to your testing location by 11:30 AM.

BE SURE TO READ ALL EMAIL COMMUNICATION FROM TOTAL REGISTRATION REGARDING YOUR EXAMS AND EXAM LOCATIONS.

WHAT TO BRING	WHAT NOT TO BRING
<p><u>Bring only the following items in a clear plastic bag:</u></p> <ul style="list-style-type: none">• A photo ID (i.e., student ID card, passport, or California issued ID or driver's license card)• Sharpened number two pencils for your multiple choice answer sheet• A few pens with blue or black ink for completing areas on the exam booklet covers and for free-response questions in most exams.• An approved calculator, if needed for the exam. A list of approved calculators may be found here: https://apstudents.collegeboard.org/exam-policies-guidelines/calculator-policies• A watch that does not have internet access, does not beep or make noise, and does not have an alarm.• A ruler or straightedge <i>only if you are taking an AP Physics Exam.</i>• Optional: A clear, plastic disposable water bottle with the label removed (no reusable water bottles allowed).	<p><u>The following items are prohibited. If a student is observed with any of these items during testing or breaks they may be dismissed from the exam, the device may be confiscated, the student's score may be canceled, and no retest will be permitted:</u></p> <ul style="list-style-type: none">• Purses, bags or backpacks of any kind• Electronic equipment including phones, smartwatches, fitness trackers, wearable technology, cameras, recording or listening devices, or any other type of electronic or communication device. <i>The only exceptions to the above restrictions are school-owned and school-controlled digital recording devices required to be used for in-school digital testing for AP French, AP Spanish Lang and Culture, and AP Music Theory exams.</i>• Books, reference guides, notes, compasses, protractors, mechanical pencils, pencils that are not No. 2, correction fluid, dictionaries, highlighters, or colored pencils.• Scratch paper; scratch paper will be provided, if allowed.• Watches that beep, make a noise, or have an alarm.• Computers or calculators that are not approved.• Reference guides, keyboard maps, or other typing instructions.• Ear plugs.• Clothing or shoes with subject-related information.• Food or drink, except the water bottle as explained in the What to Bring list. <i>Note: You may access free meals at the cafeteria before school or at lunch.</i>• Clipboards

Today, May 6th is the ninth annual School Lunch Hero Day! Led by Ms. Geri Imler (center), here is our outstanding Troy food services team! They make food that is amazing, and earlier this year when I had the opportunity to help out in the kitchen when it was short staffed, I learned how difficult and physically demanding their job is as well! Thank you for all you do each and every day for the students of Troy High School! Additionally California State Superintendent of Public Instruction, Tony Thurmond writes, *“School Lunch Hero Day is a day when schools and community members can show their appreciation for the valuable and important contributions that school nutrition professionals offer each and every school day to provide nutritious meals to California’s students and to promote healthy eating and well-being...This year I’ve had the honor and privilege of working side-by-side with food service staff in the school meal serving line. I am continually impressed with the professionalism and the concern for student nutrition and access to fresh, healthy, and culturally diverse, quality meals. Across the state, our school food service heroes demonstrate a genuine care that supports a student’s academic success and also their social-emotional well-being.*

This dedication, compassion, and excellence in service persists even after two years of tireless meal service during the COVID-19 public health pandemic. During the last year alone, school nutrition professionals have served more than seven million meals! And to this day, they continue to overcome supply chain shortages, staffing challenges, and varying service models to

steadfastly guard quality meal service for California's children and students. Despite these challenges, many continued and even expanded their commitment to scratch cooking and locally sourced foods. These tireless professionals embody the essence of the word "hero."

COVID-19 Reminder for all Troy High School Students!

In accordance with the Center for Disease Control (CDC), CA Dept. of Public Health (CDPH), and Orange County Health Care Agency (OCHCA), we ask that you complete the Qualtrics survey each morning prior to arriving on campus. However, **please do not attend school** if you have experienced any COVID-related symptoms:

- Flu-like symptoms such as fever of 100.4 or greater
- Chills
- Cough
- Sore throat
- Runny or stuffy nose that is not associated with a pre-existing condition or other chronic health condition.
- Last but not least, **if you have taken a COVID-19 test** and are still waiting for results, **please do not attend school until you receive the results of that test**, and then **only come to school if you are negative for COVID-19!**

Wednesday night, our Boys' Volleyball team traveled down the Fairmont Prep in Anaheim to play in the CIF quarter finals! It was the third time we had seen this team, and Troy

won the two previous meetings. We started the game well up in the first game 14-11. The game remained close and near the end of the game Troy was down 22-19. It was a tough match, and trying to beat any team three times in a row is a tough order. In the end, Fairmont Prep won the match, and our Warriors Boys' Volleyball season ended. Our team had a very strong season, and this was their deepest run into CIF playoffs yet! Our team will build upon their success for next season, and they have put the pressure on team next year to get to the Finals!

Join us at
Angel Stadium as
Troy's choir members
combine with other
local choirs in a
performance of the
National Anthem
before the game!

Friday, May 6

6:30 p.m.

Right Field Pavillion - \$20

Tonight, our Troy Choir will be performing at the Angels game! This is also School Employee Appreciation Night. If you are attending the game, it is going to be an absolute fantastic spring evening to see baseball in So Cal!

From our Troy Tech Coordinator, Ms. Laurie Downum-Bonnett, here is the final word on the 2022 Troy Tech Fair!

Last week's Troy Tech Fair focused on the in-person displays in the gyms and the Troy Tech Senior Ceremony broadcast by Omnia <https://youtu.be/siyS7PJEmaw> However, there was also a virtual component to the fair including slides representing each student. This link will be active through Sunday May 8: <https://docs.google.com/presentation/d/e/2PACX-1vT9pcysS2MUIID6zpBxYxh0W9OVwQPclmzGuArsVioo5krYBmA4qRdRmTkSQK9yfiWxrsLzMs9dj6NT/pub?start=false&loop=false&delayms=3000>

CIF Track & Field Prelims will be held tomorrow, Saturday May 7th! Troy and FJUHS Freeway League athletes will go out and give their best performances, and we will see who moves on to the CIF Finals the following Saturday! It should make for a great day for FJUHS and Troy! Go, Warriors!

Also in CIF playoffs are our two members of our Boys' Golf team competing in the CIF Individuals at Bear Creek Golf Course in Murrieta, CA on Monday! Nathan Tseng and Franklin Zhu will both be out on the course with the other CIF Southern Section standouts! Good luck to both of them and once again, Go Warriors!

This week in Troy Cybersecurity news, a team of cyber experts visited our school to learn more about why our program has developed into one of the strongest cybersecurity programs in

the nation. Tania Williams, Assistant Director, Center for Cybersecurity Research and Education (CCRE), and the University of Alabama in Huntsville, Melissa Dark of Dark Enterprises, a cybersecurity firm, and Jenny Daugherty, also of Dark Enterprises visited our school on Thursday. Our own Cybersecurity expert, Mr. Allen Stubblefield wrote of their visit, *"We thoroughly impressed the representatives from Univ of Alabama (Huntsville) and Dark Enterprises during their visit on May 5. Troy was the 5th and final high school that they reviewed over the past 3 weeks. We were "definitely the most mature [well developed] cybersecurity high school program we have seen or heard of. You have solved the problem of accessing practice materials by using the cloud - nobody else has even thought of this."* It sounds like we had a very good visit and there is definitely a need for more cybersecurity programs out there with a 600,000 person shortfall in the industry!

ATTENTION TROY SENIORS!

Interested in going to Fullerton College and receiving

TWO years free? Find out more!

Staff from FC will be on campus to share program info and
help you enroll or complete any missing requirements

Tuesday, May 17th

9:00-11:15

Troy Theatre

Sign up here or
see Mrs. Rosner
in the library for
more information

Attention Seniors! For those of you who are planning to attend Fullerton College or still haven't made a final college decision, we have an important event on **May 17th during 2nd and 3rd periods**. As a California resident, you are eligible for 2 years of free Community College (Did you catch that? 2 Years of Free Community College!!) and Fullerton College will be here

to help you sign up. Don't miss this opportunity to meet people from their team who will be here to get you enrolled at Fullerton College and to help you register for some great programs. Please see Mrs. Rosner in the library for additional information or to sign up. Once signed up, she will provide a release for you to provide your teachers allowing you to attend the event.

TROY HIGH SCHOOL

2022 Summer Job Fair

Wednesday, May 18, 2022

Troy's South Gym

12:00—3:30

Students! Join us on the campus of Troy High School for a Summer Job Fair. Our students will be able to visit with local businesses who are looking to add to their teams. The fair will be open during lunch, 5th/6th period and after school. Come out and make connections for your summer job!

Local Businesses! Join our fair by adding your name to our list using the following link or QR code. <https://forms.gle/UWvScQq6NYg99bPC8>

Who is looking for a summer job? Troy is hosting our first annual Job Fair right here on campus! Local businesses including Knott's Berry Farm, Kumon, YMCA, Chick-fil-A, Stater Bros Markets and more will be here to meet our students. The event will be held **Wednesday, May 18th from 12:00-3:30 in the South Gym**. You can visit the Job Fair during lunch, 5th or 6th period (with permission or if you have a free period) or after school. Don't miss this amazing opportunity to simplify your job search. Look sharp and be ready to meet your potential employer!

I obtain wonderful news about our students and their achievements from a number of different sources. Sometimes I am at the event, or often the news is reported to me by a fellow staff member or coach. Here is a great example of our students, Caden Owens and Matthew Dorman, both involved in Mock Trial and both of them were honored at the Constitutional Rights Foundation Orange County Mock Trial 41st Annual Awards Reception held at UCI on April 26th! I am glad I received this news! Thank you to proud father, Mr. Roy Dorman for these wonderful photos and details our Troy students and this recognition! 😊

Here is some excellent news from our Troy Film Teacher, Mr. Jim Faletta! “We recently held our **8th Annual Wally Awards** here in the auditorium. During the show, we screened approximately 35 of the best films from this year in the following categories: Trailers, Animation, Short Form, Commercials, Horror, Drama, and Music Videos. It was a truly amazing display from the immensely talented individuals sitting in your classrooms every day. If you see ANY of the film students, please congratulate them on a job well done.

A special congratulations to David Maui Kim for taking home the BEST IN SHOW award for his music video, [SCOPE](#). David will be attending Chapman University in the fall to study Cinematography.

Beyond David’s acceptance to Chapman, this year’s current film students have been accepted to USC, NYU, Loyola Marymount, and Long Beach State film schools (among others).

Below is a list of winners with links to their videos. If you need a brain break from all the AP/IB and Cambridge exams, feel free to show these in class anytime this week. As always, we appreciate your support.

Best in Show

David Kim, Scope - <https://www.youtube.com/watch?v=0fDhUx62fdM>

Best Animation

Kaila Perlas - <https://www.youtube.com/watch?v=VcsMy1omj98>

Best Trailer

Star Wars Day was on May the 4th (be with you) and we had some of our Troy faculty get into the spirit of the day with Darth Maul(CC), Darth Vader(JM), Princess Leia(CK), Han Solo(WF), and Castillo-Jo-jo(JC), a Jedi Warrior robot designer and fabricator and last but not least, Yoda(AE). It was a great day to see all the various people who visited the planet of Troy on Wednesday! May the Force Be With You!

From our Instrumental Music Director, Mr. Joseph Castillo, here is some wonderful news! *“Yesterday I had the honor of conducting our own Apollo's Strings at a Regional Music Festival. We qualified to participate after receiving a Unanimous Superior rating at Kennedy*

High School's Music Festival over a month ago. The orchestra received an Excellent rating for their performance.”

Troy High School has a high achieving Esports program. While sometimes they seem like they are flying below the radar, those on the inside know how much they are actually doing in addition to their schoolwork. From our Troy Esport Coach, Mr. David Kim is this exciting report on our Esports program!

Hi everyone,

I wanted to share some news and updates regarding our Esports program this semester. Will, would you be able to include any (if not all) of this in the Warrior Weekly? There's a lot!

Created by our graphics designer, Riley Donn

Troy's League of Legends, Overwatch, Rocket League, and Valorant teams all had a successful two-month regular season in their respective tournaments this semester. Both of our League of Legends teams dominated their divisions with an undefeated record of 6-0 in UFEA's Spring Season and are hoping to reach a Troy vs Troy final after going through playoffs. Our Rocket League team and Valorant team went 6-2 and 7-1 respectively in HSEL's Spring Major Tournament, which qualified them for the California State Championships that starts next week. And lastly, our Overwatch team went 5-2 in GenerationEsports' Youth Winner Circle. Congratulations to our teams and our players for another successful season! Last Saturday, Troy's Valorant team competed in AVGL's Valorant Triathlon against 14 other high school

teams and came in 1st place! Congratulations to Nathan Busbin, Leo Chang, Christian Johnston, Hojun Lee, and Henry Sanders for winning \$550 in prize money!

On Sunday, Nathan Busbin was invited to UCLA's Westwood Showdown High School Tournament and participated in their All-Star game as a representative from Troy. Here he is with UCLA Esports merch!

 **UCLA Esports** @UCLAEsports · Apr 24
We can't forget ICPD from Troy HS 🥳🥳

Last but not least, senior Samuel Chen was recently accepted into UCI as a recruit for their League of Legends Esports team, a historic first for Troy's Esports program. Over the last three years, Samuel has been an integral part of our school's League of Legends teams, and he is currently ranked top 0.15% in the nation. Samuel had the chance to meet with the UCI Esports director and is looking forward to joining their team next year!

Best,

David Kim

Computer Science and Cyber Defense Teacher

Cyber Defense Coach and Esports Manager

Troy High School, Fullerton, CA

Springtime allergies! If you have them do not do what Luna is doing, I don't care what they say about "taking time to smell the flowers"... I do hope everyone is able to have the opportunity to take advantage of another wonderful weekend with daytime temps in the 80 to high 70 degree range. It should be a great Sunday to celebrate Mother's Day and if lunch, brunch, or dinner is part of the celebrations, enjoy! My family makes the decision on the Mother's Day dining location of either inside or outside, depending upon what is on the menu. For me, the messier the food the more likely this day turns into an outdoor party... ☺ Everyone, get in some rest, relaxation, and have a wonderful weekend. I will see everyone back here on Monday!

W.V. Mynster
