

# *TROY HIGH SCHOOL WARRIOR WEEKLY*

May 17, 2024

Warriors, after today there are 8 days of school left in the 2023-24 year! We are getting near the end of AP, IB, and Cambridge exams. Next week Wednesday—Friday, are Senior Finals. We then have a long Memorial Day weekend on May 27<sup>th</sup>, followed by general Final Examinations for the rest of the students at Troy High School on May 28, 29, and 30<sup>th</sup>!

For the Class of 2024 that last week of school is filled with senior events including senior breakfast on May 28<sup>th</sup> at 9am, Graduation rehearsal on May 29<sup>th</sup> at 8:00am in Fullerton Stadium, immediately followed by Graduation ticket distribution. That evening on May 29<sup>th</sup> at 6pm we then have the Senior Reflections & Awards in the North Gym. All of these events lead up to the big event on May 30<sup>th</sup> at 7:00pm, the Graduation ceremony for Troy's Class of 2024!

Students as we wrap up the 2023-24 school year, keep up the good work and finish your classes, earning the grades for which you have worked all semester and have built upon all year! Summer will be here before you know it. For our graduates, you will be preparing for college and/or career. For our Troy Tech Magnet to be 12<sup>th</sup> graders, 450 of you will be completing your 150-hour Troy Tech Internships, and for incoming 9<sup>th</sup>, 10<sup>th</sup>, and some 11<sup>th</sup> graders you may be taking summer school courses in FJUHSD or perhaps summer enrichment courses or summer experiences at colleges and universities. A number of us will go on vacations to many different places for varying lengths of time. For all of us, summertime will be a change of pace, and filled with new experiences. Before we get there, finish this semester Warrior strong!

Last weekend, Troy students were in action volunteering in the community. Proud mother, Dr. Miriam Salvador (aka Mrs. Shum) shared this heartwarming story about our students including her daughter Maya Shum, (the one holding the Troy sweatshirt) who were involved in volunteering with the Cystic Fibrosis Foundation. Our students were part of the Great Stride

Fundraising Walk that took place in Huntington Beach last Saturday. Some of them, Maya, Audrey and Kenneth were there for eight hours helping with set up, the actual Walk, and cleaning up after the event. This was a large event and there were several hundred participants. All the Troy students and Troy graduates that volunteered for this event were:

Maya Shum, Elizabeth Shum (Class of 2023), Audrey Liang, Kenneth Jung, Sophie Sogata, Aditi Kotha, Audrey Cheung, Yufei Zhang, and Megan Joshua. Thank you to all our students for making a difference! Great job, Warriors!

Our Boys' Golf season is in the books! Coach Dave Bainter indicated that despite not having the best day on the course, it was a good experience for our team members that will be returning next year. One bright spot on the day was sophomore, Raymond Wang who shot a low score for the day of 76. I have to be honest, I would be very happy carding a 76 for a round of golf! Warriors, great job making the CIF playoffs! You make us proud, and it was a great day to be a Warrior!

This is your last chance to see the Troy choirs this school year! Due to high demand, two shows have been scheduled. At this time, the 7:30pm show is sold out, but it is not too late to buy tickets for the 5:00pm show. For the perfect date night, see the show and then go to dinner!

It is that time of year when once we get home from school, then it's time to take a break before starting another project. In this case Luna and I were watching the L.A. Dodgers play what turned out to be a forgettable game with a 2-7 loss to the Reds.... Luna would have been much happier in this photo had the Dodgers been winning.

Have a wonderful weekend! Hopefully we catch a break and the May gray goes away earlier in the day. In theory we will have 75 degree temperatures this weekend, and I would love to see a little bit of springtime again, so I can get outdoors and off the sofa. ☺ However, for our students, especially seniors getting ready for Final Exams, the May gray does make it a little easier to stay indoors and study. Regardless of how you plan on spending your weekend, get in some much deserved rest and relaxation, and I will see everyone back here on Monday morning!
