Warriors, after today Senior Finals are over! We only have three days of school left in the 2023-24 year! We will all celebrate Memorial Day on Monday. Final Examinations for the rest of the students grades 9—11<sup>th</sup> begin on Tuesday, May 28, 29, and 30<sup>th</sup>!

For the Class of 2024, we finish today with Cap & Gown Distribution and Senior Night beginning at 3:00pm and going until 6:00pm. On Tuesday, seniors will go to their Senior Breakfast at Splitzville from 9:00am-11:30am. On Wednesday, May 29<sup>th</sup> Graduation rehearsal is from 8:00—10:00am in Fullerton Stadium, immediately followed by Graduation ticket distribution. That evening on May 29<sup>th</sup> at 6pm we then have the Senior Reflections & Awards Ceremony in the North Gym. All of these events lead up to the Class of 2024 Graduation ceremony on Thursday, May 30<sup>th</sup> at 7:00pm! Congratulations to our Class of 2024! All of you are Warriors forever, and we are very proud of what you have accomplished!

As we enjoy the long Memorial Day Weekend, take some time to remember and reflect upon the sacrifices made by our servicemen and women in the Armed Services. We enjoy freedoms and liberties in the United States because it is our men and women in the Armed Services who ensure our continued existence as a nation. Memorial Day is set aside as a national day of remembrance for those who have given the ultimate sacrifice in defense of all of our freedoms. We also remember all those who have served in the Armed Services and returned from their service having been a part of the 1% of Americans that protect the other 99%. May our troops always be protected, and may they always return home. Please keep all of them in

your thoughts and prayers and always remember to thank them for their service. What may seem like a small gesture to our servicemen and women when we thank them, means quite a lot.

On Tuesday, our NJROTC cadets joined by their Instructors and Assistant Principal, Mr. Lance Bletscher when they were granted permission by the U.S. Navy to ride with a full crew onboard the aircraft carrier, U.S.S. Carl Vinson (CVN-70) from San Diego to L.A. Harbor. L.A. Fleet Week officially began Thursday and runs through Memorial Day. This was another great experience for our cadets, and not one that many people outside of those serving in the U.S. Navy have had the opportunity to experience. It is amazing how large, fast, and amazingly effective these floating cities are in preserving world order and peace through deterrence. These ships are amazing modern engineering marvels and the men and women that crew them are highly educated, trained, courageous, and dedicated servicemen and women have led them to serve our nation in the U.S. Navy. I am grateful for all of their service. Thank you to Commander Lauper, and our Naval Science Instructors for paving the way, keeping and building new relationships with the U.S. Navy that allow for Troy High School and the Fullerton Joint

Union High School District to have these amazing opportunities! Fantastic job Warriors, and  
Let's Go, Navy!

Parents/Guardians:

The last day of school is rapidly approaching. If your student currently has medication(s) stored in the health office, they will need to be picked up by the last day of school, May 30, 2024. All medications that have not been picked up will be discarded. Be sure to also have a new **Medication Administration Form** signed for any medications (self-carry included) your student will be taking during school hours for the upcoming school year.

Contact the School Nurse or LVN if you have any questions.

## A NOTE FROM OUR HEALTH OFFICE

Next Thursday on May 30<sup>th</sup> at 7:00pm Troy will hold our Class of 2024 Graduation Ceremony. If you have family that are out of town and or in another time zone, here is an opportunity for your family to see our graduation ceremony via livestream!

Here is a great story, and I thank Ayushi for some of the key details in this story. Troy student, Ayushi Mehrotra has done some interesting computer science work and recently arrived home from the International Science and Engineering Fair (ISEF)! It was an amazing experience and Ayushi got the chance to meet many intelligent people from different countries. Ayushi also came home with two awards: 1st place in the cybersecurity category given by the [National Security Agency](#) (\$3000!) and a fellowship called [Non-Trivial](#) (\$500 and up to \$15000 in funding). Her project is **ROBO057 - Detecting Attacks in Medical Deep Learning** and is very interesting. At first glance it is concerning that there would be cyber attacks in medical deep learning data. Of course the ramifications of these attacks would be highly detrimental especially as humans become more reliant upon technology to read images or data from biometric scans...

Ayushi also conveyed that she is incredibly grateful for the opportunity to represent Troy High School at the science fair and for Mr. David Kim's encouragement to pursue all my endeavors.

# FULLERTON JOINT UNION HIGH SCHOOL DISTRICT FACILITIES MASTER PLAN

Over the past year, the Fullerton Joint Union High School District has been dedicated to engaging with administrators, faculty, and the community to gather valuable feedback on our school facilities. We are pleased to announce that this collaborative effort has culminated in the completion of our Facilities Master Plan. Your input has been invaluable, and we are excited to share the results with you. For detailed information and insights, please watch our [Tutorial Video](#) and then visit our [Facilities Master Plan](#) website. We thank you for your continued support and engagement in enhancing our educational environment and thank you for being a vital part of this process. *Ruben Hernandez, Assistant Superintendent, Business Services*
